

Tennis Festival

Darwin Class had a brilliant morning at Westway tennis festival on Monday 30th November. The children cheered each other and clapped other teams showing great sportspersonship. They were wonderfully behaved and showed off some excellent tennis skills.

sounds of the voices echoed around. Next week I am taking part in the Christmas Festival at the Town Hall and I am singing a solo but there will only be children's voices.

Elizabeth, Seacole class

Year 1 Theatre trip

Year 1 had an amazing time at The Little Angel Theatre where they watched a puppet show of Wow Said The Owl. The children were beautifully behaved and their faces lit up throughout the whole performance. Our favourite part was when the mean dark cloud 'ate' all of the bright colours!

Jenner to Lyric Theatre

On Thursday 3rd December Jenner Class went on a trip to the Lyric Theatre to see Raymond Briggs' Father Christmas. This was part of our English topic related to the Raymond Briggs books. The children really enjoyed the show and were very well behaved.

EYFS Nativity

Reception and Nursery classes were delighted to share their performance of Whoops-a-Daisy Angel. Thank you to all the parents and carers who came to watch the production.

Bach Choir Christmas sing-along – Year 5

On Monday [30th Nov.] we went on the bus to Westminster Cathedral Hall to join in singing with the Bach Choir. The building was massive. When the singing started it was difficult but I could do it. When all the high and low voices joined in – it was exciting. The

Tri-borough Christmas Concert

A selection of children from Years 5 and 6 took part in a Christmas singing concert at Kensington Town Hall. Prior to the concert, the children spent many hours learning a range of songs. The children worked incredibly hard and Elizabeth, from year 5, sang a solo during the final performance. She said 'It felt amazing. It was very fun and I am very glad I was picked!'

It was a great experience for the children to sing, both, in a town hall with other children and in front of friends and family. It really got the children into a festive mood! A huge thanks you to parents who attended and for your support learning the words (Latin is not easy!)

KS1 Carol Concert

Key Stage 1 performed a wonderful carol concert that included lots of festive songs! It was fantastic to hear such clear voices and well-rehearsed actions to match. Each class sang their own song and then came together with other classes for some show-stopping performances! The children were very professional in their conduct and they made both teachers and parents very proud! Well done Key Stage 1!

KS2 Xmas Is Forever

KS2 performed brilliantly in "Christmas is Forever" on Thursday. The James Bond-themed play had everything: laughs, tears, singing and dancing. The children outdid themselves and should be very proud of what they accomplished. A huge thank-you to the KS2 staff who helped to produce it in under two weeks. We all had a lot of fun putting it together, and it definitely showed in two stellar performances.

Attendance News

Attendance over the Autumn term had its highs and lows. We've had weeks where it's been really good and we've hit or exceeded our target of 96%; but we've also had other weeks where it's been very bad. Overall our attendance total for the term is now down to 94.7%. This is disappointing as it means we have not reached our target of 96%. We can only hope that we exceed our target during the Spring and Summer terms, and raise our overall percentage by the end of the year.

On a more positive note; we had almost 100 pupils with above target percentage, and another 100 pupils had **100%** attendance during the Autumn term. Well done to all of you. Those with 100% attendance where entered into a prize draw for the scooter, and the winner drawn at the end of term assembly. There will be another scooter up for grabs next term. All you have to do to be in with a chance of winning it is to be in school all day, every day, during the Spring term.

And finally.....

We would like to wish all our children and their families a very merry Christmas and a happy New Year. We hope you enjoy the holiday, and look forward to seeing you on Tuesday 5th January 2016
