

## Strike!

Kings Class had a great time on their bowling trip recently. The trip was their class reward for having the best attendance and punctuality last term. Attendance continues to be an issue for us at Brunel. Let's hope all classes' attendance matches that of Kings Class this term!

## Loughborough and Lancaster explore local area

On Wednesday 4<sup>th</sup> of March Loughborough and Lancaster class visited Meanwhile Gardens. They have been studying forest and woodlands and have discovered many things about what grows and lives there. They found similar trees, plants and soils in Meanwhile Gardens. They also spotted ducks living happily in a pond, squirrels roaming around the trees and ground and birds nesting high up in the trees. They all thought about all the lovely things they saw and found and wrote recounts of the morning

## Do you have friends who are looking at schools for their children?

Recommend us! We have spaces as we change from 1½ form entry to two-form entry. Plus, more importantly...

- We have fantastic new facilities
- We offer full-time subsidised nursery places
- Our pupils make better than expected progress on average
- We prepare children for secondary school, giving them solid foundations for their future lives
- We are part of the Ark network, which gives us the opportunity to work with other great schools to be the best we can be

## British Science Week

We had a great time celebrating British Science Week last week. Many classes had the opportunity to visit the Science Museum and we were visited by a boffin on Friday who hosted assembly and did workshops with us in which we made our own ice-cream. We were a bit disappointed by the clouds covering the eclipse on Friday but we'll look out for the next one (in a few years). Huge thanks to Miss Donaghy for her work organising the week's events.

## Perranporth

Year 5 have been away on this year's school journey to Perranporth in Cornwall. The children thoroughly enjoyed themselves and developed their skills of cooperation and teamwork. They were lucky enough to get a great view of the eclipse, which was not really visible here in London due to the bad weather that day.

## Join us on Facebook

It's been great that we have had so many parents checking in with us on Facebook to see what's going on. We're glad so many enjoyed the updates from the Perranporth trip that were posted daily. If Facebook isn't your thing, you can check in with what's been happening on Twitter or by checking our website.

## Easter bonnet parade

We were thrilled that so many parents joined us for our Easter bonnet parade this week. It was lovely to see the effort that so many children (and parents) had put into their bonnets. We're sure you'll agree that everyone involved had a great time. Special thanks to our wonderful support staff who organised the parade and raffle and who led the way in showing us all how make the most of the catwalk!

**Do enjoy the holidays. We'll be open again for learning on Tuesday 14<sup>th</sup> April.**
