

Shout out to YOU

Thanks to everyone who has attended meetings and is getting involved in this year's Summer Fair. We really appreciate your generous offers and look forward to seeing you at our next meeting, which we will let you know about very soon. It's always a much better event when we all work together and we're really pleased that parents have contributed their time and enthusiasm to organise the event. In the meantime, if any other parents/carers have any further suggestions for the Summer Fair, please see Miss Davis.

Sports Inspired

Last Friday Year 5 visited Westway Sports Centre to compete with other schools in the area at an event called Sports Inspired. Children had the opportunity to try out sports such as Tennis, Taekwondo, Dodge-Ball and Street Dance. All children had a fun and energetic day and enjoyed the friendly competition with local schools in the borough.

Attendance

Poor attendance continues to be an issue for us all at Brunel. Our attendance for the year to date has been below what we had hoped despite concerted efforts to improve attendance this year. We can see in school that children with poor attendance and punctuality are at a disadvantage to other children. It is particularly disappointing to see great downward spikes in attendance on the last day of each half-term. Each day at school is equally important and there is no reason whatsoever that so many children should be absent on the last day. With so many positives at the school at the moment, it is a great shame

that we continue to be thwarted by poor attendance.

York Class Assembly

Year 6 spent the week after the end of their SATs exams learning about elections and how to run a campaign. They formed parties, wrote manifestos, marketed themselves and made speeches to the other children explaining what they stood for. Congratulations to the children for their hard work and resilience and especially to Fair Choice, who were the winners in the pupil vote.

Heads down

Well done to all our children in Year 6 for their hard work and efforts during this year's SATs during w/c 11th May. Year 2 have also begun their SAT tests this week and have also been working really hard. It's great to see the pupils showing our values of enthusiasm, ambition and resilience in order to achieve their very best.

Happy half-term

Have a great break, everyone. We'll be open again for learning on Monday 1st June.
