

Kwik Cricket

On 21st June, we took part in the North RBKC Kwik Cricket tournament at Westway. A great time was had by all and our pupils displayed great sportsmanship. After some early successes, the day culminated in a victory in the final making us the North RBKC Kwik Cricket Champions. Well done to all!

Ofsted Report

We have not yet received Ofsted's report from our recent inspection. We will share this with parents as soon as we possibly can.

Summer Fair – Thursday 14th July 3:30-6:30pm

Thanks to parents for all the support in organising the summer fair this year. We are looking forward to an even bigger and better event this year. Attractions will include a Rodeo Bull, Gladiator Duel and a Gunge The Teacher(!) stall to look forward to. Make sure you look out for the letter explaining further details in the near future.

Uniform

For your convenience, Ace Clothing, our uniform supplier, will be in school on Thursday 7th July from 3-4pm. They will have a range of sample uniforms, and you will be able to place orders with them directly.

Classes for 2016/17

Planning for next academic year is well underway and we look forward to another great year. We will have some new class names next year as we recognise the achievements of great Britons such as Frances Buss, Mary Carpenter, William Caxton, Elizabeth Fry, Samuel Johnson and Mary Wollstonecraft, all of whom contributed to the development of our country as we know it today. Children will be meeting their new teachers and TAs on Thursday 7th July.

Chessington

This week, Y6 went to Chessington World Of Adventures as a treat before they leave us to start a new chapter at secondary school. A fantastic time was had by all and everyone had a great time whizzing around for the day, having fun and spending some time with their pals. It was fully deserved after a year of tremendous effort and hard work. We're going to miss them!

KS1 & KS2 Summer Performances

Rehearsals are well underway for this year's KS1 and KS2 summer performances. KS1 will be performing the story of Zog the Dragon and KS2 will be treating us to West Side Story. Make sure you don't miss out!

Building Security

For security reasons, please remember that parents must not enter the school building without permission. Entrance

should always be through the school office. Parents should drop children at the entrance to the building in the morning and must not enter the building to accompany children to classrooms. Similarly, if parents wish to go to the school office, they must do so via the front of the school building and not via the playground and through the school lobby area. We trust that you will support us in ensuring that the safety and security of the school building is maintained.

Extreme Readers

The winners of our Extreme Reading competition were taken to Waterstones and all chose books to keep and a huge selection for the school library. We still have another £500 to spend as we cleared out most of the books in Waterstones!

Go Golborne

As parents will know, the school is supporting a local healthy lifestyle initiative called Go Golborne. The Go Golborne team is launching a new campaign called Unplug & Play this summer that challenges children to try and keep a check on the amount of time they spend on screens and have lots of active fun.

To mark the launch the campaign there will be a 'party in the park' event in Emslie Hornimans Pleasance Park, W10 on Wednesday 20th July between 2-5pm. There will be lots of free fun including face painting, arts and crafts, music, fruity snacks, and tasters of local play and leisure activities open to children and families over the summer. Please do

go along and look out for the Unplug & Play challenge pack your child will be bringing home before the end of term!

Lights, Stories, Noise, Dreams, Love, and Noodles

Y5's work with the Bach Choir culminated with a concert at Central Hall Westminster on 17th June. It's an opportunity to take part in a huge event that we value highly and we would like to thank everyone who supported the project.

Reception Class at the Transport Museum

This week Reception had a fantastic time at the transport museum. They saw lots of vehicles and were taken on a trip to the past to find out how much the way we travel has changed.
