

Jenner Class at Waltham Farm

On Wednesday 8th June, Jenner Class went on a brilliant trip to Waltham Place Farm. The children had a great day, finding out where different foods come from and how to grow lots of fruits and vegetables in the kitchen garden. In the afternoon, they explored the woods and built nests using the materials available. The children had a lovely day and really enjoyed learning out in the countryside.

Extreme reading

We set the children an extreme reading challenge to celebrate all the reading we do inside and outside of school. There were lots of fantastic entries and the children proved that they really can read anywhere! Thanks to all who entered the competition. The winners will visit Waterstones book shop with Miss Davis & Miss Baker to choose their own books as prizes and spend £2000 on new books for the school library.

Packed lunch arrangements

Packed lunches need to be brought to school in the morning when the children arrive. They should not be dropped off later on for staff to deliver to classrooms as this disrupts both office work and learning in classrooms. If your child has forgotten their packed lunch, they may have an emergency school meal at a cost of £2 unless you are entitled to receive a free meal. Thank you in advance for your cooperation.

Austen Class at the Transport Museum

Last week, Austen Class went to the Transport Museum as part of their new project. The children looked at different forms of public transport, old and

new. They particularly enjoyed the role-play areas where they could dress up and play.

Brunel on social media

Apologies for the lack of updates on our Facebook and Twitter accounts recently. We've been having some technical issues with accessing the sites in our building. Hopefully, we'll be back soon.

Ark Sports Day

This week, six children in each year group from Y2-Y6, represented Ark Brunel at the Ark Primary Sports Championships. Children competed in events such as sack racing, 60m sprint, throwing and relays. The children showed great sportsmanship and represented the school very well, embodying our values of **enthusiasm, ambition and resilience** perfectly. A great day was had by all!

Dickens at Kensington Palace

This week, Dickens and Darwin Class took a trip to Kensington Palace. They had a wonderful time exploring the grounds of the palace and visiting the rooms that Queen Victoria lived in. While at the palace, they learnt about the types of clothes Queen Victoria would have worn and the types of toys she would have played with.
