

### Jenner in the community

Jenner Class had a lovely time visiting a local elderly people's home. They spent the afternoon talking to the residents and colouring in. Both the children and residents had a great time and we are looking forward to our next visit.

### Perranporth

The Year 5 trip to Perranporth, Cornwall was another outstanding success this year. The sun shone on us all week and the children had a great time. We visited the Newquay Aquarium where we saw sharks, caiman, turtles, piranhas, an awesome octopus and even found Nemo! We also had days out at historic Charlestown, saw 'tall' ships and skimmed stones. We marvelled at the ancient, cute beauty of St. Ives. We learnt about the tide and the sea, sand dunes and seaweed, lifeboats and lobsters. We wondered how sand is made? What is a mermaid's purse? Why is the sea salty? What is inside a mussel? We also saw magical sunsets, ('the sun looks like the peach from James and the Giant Peach'), played beach rounders, built epic sandcastles and ate like kings. Fun was had by all. Thank you Cornwall, see you again sometime!

### Sport Relief

We raised £185.06 for this year's event. Thanks to all who contributed and took part.

### Easter Parade and raffle

Thanks to all for taking part in this year's event. It is great to see the fantastic designs you produce for the bonnets. Also, thanks to all parents and children who bought tickets for the raffle, which has raised £347.

### Tennis Festival

On Monday 21st March, Dickens class took part in a Tennis Festival at the Westway. The children took part in a series of sporting activities to develop and strengthen their tennis skills. This festival celebrates the completion of a term of coaching enjoyed by Dickens class. Thank you to the tennis team at the Westway!

## **Brunel on social media**

It's great that so many of you now follow us on Twitter and Facebook. We try to share as much as we can of school life on these platforms and welcome your interactions and feedback. Please be aware though that messages aren't always picked up immediately on these platforms and that if you need to contact the school urgently, that contacting the office is still the best way to ensure your message is received and acted upon.

Have a peaceful and refreshing Easter break. We're having an INSET day on the first day back so we look forward to welcoming **pupils back on Tuesday 12<sup>th</sup> April.**
