

COMMUNITY

This half-term, KS1/2 are exploring communities and answering the question 'Why are communities important?'

PERRANPORTH

Last week Y5 had a fantastic time in Perranporth, Cornwall. We visited the Blue Reef Aquarium in Newquay, where the children found out about turtles and the impact of pollution in the seas and oceans. On Wednesday we visited the Shipwreck Centre where we saw many artefacts from famous shipwrecks such as the Titanic. Finally, we went to St Ives and had a tour of the Lifeboat station, learning what it was like to be part of the RNLI. We spent lots of time on the beach; the children built sandcastles, looked in rock pools and played lots of games. The children were brilliant and all thoroughly enjoyed themselves.

Y4 LEARNING ABOUT SUTTON HOO

Pankhurst and Newton classes visited the British Museum to look at Anglo-Saxon artefacts found buried at Sutton Hoo. They also visited the African section of the museum to look at festival masks, costumes and carnival art to compare to the Notting Hill Carnival, which they will learn about in their Local History project on #W10 this half term.

Y2 AT BOTANY BAY

Y2 took a trip to Botany Bay last week. They paddled, explored and found fossils and huge rocks. The children were beautifully behaved and the weather smiled upon them. What a fabulous day!

THE LIFE BUS AT BRUNEL

We were very fortunate to have the Life Bus visit us this week. Each class had a session in The Life Education Mobile Classroom. All the sessions were based on making healthy choices and had great titles such as; All About Me, Friends, Feelings, My Wonderful Body, Meet the Brain and Decisions.

Class Attendance % - Summer term	
BUSS	92.5
CARPENTER	95
CAXTON	99
DARWIN	98.3
DICKENS	97.1
FARADAY	96.9
FRY	97.1
JENNER	94.4
JOHNSON	97.5
NEWTON	93.8
PANKHURST	93.5
SEACOLE	99.8
SHACKLETON	93
