

WELCOME TO ROBYN CUFLEY FROM THE WEST LONDON ZONE

We are running an exciting new partnership this year with a local organization, West London Zone.

Robyn Cufley, a West London Zone Link Worker, will be based at the school full time and will be providing extra opportunities for a group of children and their families from which they can benefit. Robyn will work with those children for 2 years and will coordinate a tailored package of support for each child. Some of these opportunities may be in reading, sports, confidence boosting or mentoring, to name a few examples. You can find out more about West London Zone here: www.westlondonzone.org

WELCOME PART 2

We also welcome Mrs Jessica Lawley to our teaching staff. Mrs Lawley will be joining us next week and will be teaching in our Speech and Language Centre.

PARENT WORKSHOPS

We're pleased that so many parents are coming along to the workshops we have been running on selected Friday mornings. Last week's workshop on preparing for Y6 SATs, run by Mr Mackey and Miss Grubb, was once again well received by those in attendance. Robyn Cufley (above) enjoyed meeting parents at this morning's coffee morning too. Details of upcoming workshops are available on our website at www.arkbrunelprimary.org

JENNER READERS

Jenner Class has been welcoming parents into class to read. Thanks to parents involved - it's really beneficial for the children.

SECURITY

We remind parents that they are not allowed to enter the school building unless they do so via the school office. Staff are under instructions to challenge all non-staff members in the school

building who are not wearing ID. This means that parents must not go into the school building to retrieve lost items, homework, etc without express permission to do so. We are sure that you will support us in keeping the building safe at all times.

CHEFS OF THE FUTURE

Dickens Class visited Pizza Express recently to design and make their own pizzas. They had a fantastic time and were very discerning in their choices of toppings. Huge thanks to Pizza Express for hosting us.

ZOBOTICS

Year 3 enjoyed a robotics workshop yesterday. Thanks to all involved.
