

Sainsbury's
Active Kids
Eat well • Move well • Live well

We are now collecting vouchers for the Sainsbury's Active Kids campaign. When you or your friends and family shop at any Sainsbury's you will receive vouchers for any food shopping and petrol, and get bonus vouchers for fresh fruit and vegetables. **Please bring these vouchers into school** and we can redeem them for playground equipment for the children. There is no limit to the number of vouchers ARK Brunel can collect – so please spread the word to all your family, friends, neighbours and colleagues.

World Book Day

We celebrated World Book Day this week by working collaboratively to write and publish our own books. Classes were swapped around so that groups of children from different age ranges joined forces. It was a highly successful day which was enjoyed by the children with some great published stories to show at the end. Well done to all.

Brunel Day

On Tuesday 21st February, the children took part in 'Brunel day' to celebrate Isambard Kingdom Brunel. All classes learnt more about the man himself and took part in activities that enhanced their understanding of him. Year 4 went to the Brunel museum in Rotherhithe, whilst year 6 went to Kensal Green cemetery to view his grave. Bridges were made, and top hats were created as they stepped into his shoes for an afternoon. Everyone really enjoyed learning more about him and we might even have some future engineers in the making. Thank you to school council for organising the day!

E-Safety

This week, Year 5 and 6 children spent some time working with a group to learn about the power (both positive and negative) of the internet. They learnt about what the internet is and most importantly, how to make sure they stay safe online. Sofian in Y6 said, "It was interesting learning how to stay safe online, to keep personal details to yourself and never meet people you've met online. Also, to only trust legitimate websites. Wise words..."

MOOOOOO!

EYFS had a great time at the farm this week. They learnt the names of baby animals and where food comes from.

Attendance

w/c 20th Feb 95.54% BELOW TARGET

w/c 27th Feb 94.93% BELOW TARGET

Upcoming

- 7th March Shackleton Class Into University afternoon
