

Y5 AT INTOUNI

On Tuesday, Year 5 went to Into University at the St Clement James Centre. It was a fun day, filled with pirate maths activities. The children practised their co-ordinates, code cracking and shape skills. They had a great day and the children's behaviour was fantastic.

NEWTON CLASS FLIP OUT!

Newton had a great time at Flip Out as their attendance reward. Be in school every day – good things happen when you do the right thing.

POETRY WORKSHOP WITH NEAL ZETTER

Last week, eight children were chosen from Years 3 and 4 to go to a writer's workshop with poet Neal Zetter. They spent a whole day watching Neal perform his poems and learning some of his poetry-writing tricks, being creative and playing with language and finally writing and performing their own poems.

SATS TIME

Next week, Y6 will sit their end of key stage tests. We look forward to them showing the benefit of all their hard work, effort and resilience throughout the years. Y2 children will also begin their end of key stage test in the near future. Good luck to all!

JUST ENOUGH

On Wednesday, Year 5 had a visit from the charity Just Enough. This was an informative workshop all about Modern Day Slavery. We used drama and fun activities to explore this difficult topic. The children thought about how to make the world a better place for them and everyone else to grow up in.
