

## CHOCOLATE MUSEUM

On Monday 8<sup>th</sup> May, Pankhurst Class journeyed all the way to Brixton to visit @ChocMuseumUK . They had a scrumptious time tasting different flavours and kinds of chocolate and really enjoyed making their own chocolate.

## Y5 INTO UNIVERSITY

Year 5 were very lucky this week as they visited Into University. The children spent the day looking at space, completing lots of different and engaging activities around the topic. Lots of the children spoke about how much Into University had improved confidence, ability to work as a team and how much they knew about space. One child said 'It was brilliant! I got a chance to work with different children in my class. The best part was building a house for a certain planet and showing the friends.'

## SAFER INTERNET PARENT WORKSHOP

On Friday 5<sup>th</sup> May, Childnet International visited the school to present a parents' workshop on internet safety. The seminar covered some simple practical steps parents can take to help limit the risks, as well as advice that can be given to children, on staying safe online. During the

presentation, they also learned how young people communicate, learn and create in new and exciting ways using online and mobile technologies. Further support and information can be found at [www.childnet.com](http://www.childnet.com).

## Y3 ROMAN DAY

Minerva the Roman goddess of war returned to Brunel to visit year 3, teaching them all about the lives of Roman people, including: what they ate, where they lived and what they did for fun. Johnson and Jenner Class sketched Roman weapons and armour before making their very own mosaics to take home

## Y6 SATS WEEK

Well done to Y6 pupils who sat their end-of-key-stage SAT tests this week. We're very proud of all their hard work throughout the year. #resilience #ambition #enthusiasm

## PARENT SURVEY 2017

You should have received a text from us with a link to this year's parent survey. Please take a moment to complete as this is a great way to let us know how we're doing and what we can do to improve. If you haven't received a text – please check with the school office that we have your current number.

## ATTENDANCE REWARDS

Well done Carpenter Class for winning the Attendance Award for the Spring term. The children thoroughly enjoyed Bramley's Big Adventure!

Seacole Class had a great time too at Oxygen Freejumping as their attendance reward for Spring.

## ATTENDANCE EYE-OPENER

During SATs week, every Y6 pupil has been in school every day. This shows us that if we really want to, we can get attendance to a level that gives our pupils the very best

chance of achieving their very best. We look forward to this continuing next week.

## ATTENDANCE – AGAIN!

You'll notice that there are lots of messages about attendance in this newsletter. That's because POOR ATTENDANCE AFFECTS CHILDREN'S LIFE CHANCES. It's why it was our main improvement point in last year's Ofsted inspection and it's why we spend so much time trying to improve it. It would be great if attendance was at a high level as it would free up more time for us to do what we really want to do – teach our pupils to the best of our ability. As well as rewards, we have also taken punitive measures to try to address poor attendance, including penalty notices and fines. We won't give up until our attendance is what it should be. Please help us and our pupils by ENSURING THAT YOUR CHILD ATTENDS ON TIME EVERY DAY.

<b>BUSS</b>	<b>93.89</b>
<b>CARPENTER</b>	<b>96.89</b>
<b>CAXTON</b>	<b>94.68</b>
<b>DARWIN</b>	<b>95.65</b>
<b>DICKENS</b>	<b>98.22</b>
<b>FARADAY</b>	<b>97.13</b>
<b>FRY</b>	<b>96.48</b>
<b>JENNER</b>	<b>97.53</b>
<b>JOHNSON</b>	<b>95.94</b>
<b>NEWTON</b>	<b>98.77</b>
<b>PANKHURST</b>	<b>94.72</b>
<b>SEACOLE</b>	<b>97.06</b>
<b>SHACKLETON</b>	<b>96.46</b>
<b>WILBERFORCE</b>	<b>96.20</b>
<b>WOLLSTONECRAFT</b>	<b>94.19</b>

Whole school attendance for the past 2 weeks was 96.2%, which is **above target!** Well done everyone who contributed by attending everyday 😊
