## 1. Introduction

- i. Thank you for your interest in applying for a nursery place at Ark Brunel Primary. The aim of this policy is to provide clear guidance on the nursery admission arrangements including the application process, oversubscription criteria and contact details for queries.
- ii. The admissions process for a place in the nursery is **completely separate** to the admissions arrangements for a place in Reception and the rest of the school. Nursery admissions are not included in the School Admissions Code 2014 and so are not subject to statutory requirements.
- iii. Parents/Carers whose child attends the nursery school and who wish to apply for a place in Reception must do so through the normal round of application, no preference or priority is given to children who currently attend the nursery. For further details on the admissions arrangements for a place in Reception see the school's admissions policy at the link below.

## 2. Application Process

- i. Children aged 3 from the 31<sup>st</sup> August of the year they are to start are eligible for a place in the nursery.
- ii. The school offers full time (30hrs a week) places. 30 places are available in total.
- iii. Applications for a place at the nursery are submitted directly to the academy. The application form is available via the website at the link below.  
  
<https://arkbrunelprimary.org/page-strips/admissions-procedure-and-policy>  
If fewer applications are received than places available, all applicants will be offered a place.
- iv. If more applications are received than places available, places will be offered according to the oversubscription criteria and order detailed at section 3 of this policy.
- v. A waiting list will be managed for any vacant places that become available throughout the year. The waiting list will be ordered according to the oversubscription criteria in this policy and re-ordered every time a new application is received. If a place becomes vacant it will be offered to the first name on the waiting list.
- vi. Parents may submit an application for a place in the nursery at any time.
- vii. Parents do **not** have the right to appeal the schools' decision if their application for a place in nursery is unsuccessful.

## 3. Oversubscription Criteria

- i. If more applications are received than places available, places will be offered according to the following oversubscription criteria and order:

- a) ‘Looked After Children’ and children who have previously been a ‘Looked After Child’ but immediately following this became subject to adoption, a child arrangements order or special guardianship order<sup>1</sup>.
- b) Children of staff at the school who occupy, or have been recruited to, a post where there is a demonstrable skill shortage. The Principal holds the final decision on an individual’s eligibility for a place under this criterion.
- c) Children who, at the time of admission, have a sibling who attends the school. For this purpose, “sibling” means a whole, half or step-sibling or an adopted child resident at the same address.
- d) Children of staff in the school who have been employed at the school for two or more years at the time the application is submitted. The Principal holds the final decision on an individual’s eligibility for a place under this criterion.
- e) Distance measurement – Priority will be given to those children who live closest to the school. The school will calculate **straight line distance** between the child’s home and the main entrance to the school.

*PLEASE NOTE:* A child’s home will be the address at which the child normally resides and which has been notified to relevant agencies (e.g. the Local Authority) as being the child’s normal place of residence. Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of nursery admissions will be the one where the child spends the majority of school nights Monday–Friday.

- f) *Tie breaker:* If the school is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the school.

<sup>1</sup> A ‘Looked After Child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the full definition in Section 22(1) of the Children Act 1989).
