

# ART CURRICULUM

## **Intent**

At Brunel, we aim to inspire creativity and develop knowledge and skills in our children so that they are confident to create their own works of art, craft and design. We teach about how art contributes to our culture of the world around them.

## **Implementation**

Art is scheduled for all year groups from Y1 to Y6 in alternate half-terms. Children enjoy working in our dedicated art studio which provides a base for art lessons.

*Art units alternate with DT units each half-term/term. Art units are marked below in pink.*
