

MR POWELL

The sun continues to shine and it's been another excellent week full of learning for our children.

This week we have started to enjoy trips again for the first time in over a year. The children have been so excited about seeing the wider world again. Year 1 visited a floating classroom on the canal this week and had a thoroughly exciting time learning about materials. They looked exhausted when they returned so they must have worked really hard. Year 2 will have their turn next week. Also, Year 3 have started their swimming lessons this week. The children were thrilled to be going swimming and could barely hide their excitement as they set off for the swimming baths.

WELL DONE

I would like to say a huge thank you and congratulations to one of our parents. Nasreen participated in the Blenheim Palace Triathlon as part of the Kensal Rise triathlon team to raise money for the school. The latest update is that Nasreen has raised £1,313!

Class Attendance – this week	
Buss	91.6%
Carpenter	89.8%
Caxton	73.8%
Darwin	98.6%
Dickens	98.8%
Faraday	100%
Fry	91.9%
