

## MR POWELL

It's the end of another great term, and the week that the sun finally arrived to brighten up our days. The weather is looking great for the half term break – I really hope you will all be able to enjoy it.

I've been fortunate enough this week to see some excellent writing, particularly in Year 2, which has demonstrated to me how hard all our children are working when it comes to their learning. A particular shout-out to Jayden in Y2 for his great effort in writing this week – Mrs Brown was also very impressed.

I've also been really impressed with the work that Y1 have put into their phonics. Miss Pepper has been telling me all about the progress that the children have been making, and I have seen the hard work happening as I visit the classrooms.

We've also been busy at school preparing for our new RSHE curriculum. We have shared this with you on our website and are asking for your input to help us shape our curriculum offer. Click [here](#) for information on the consultation with parents about how RSE will be covered in school.

## MENTAL HEALTH AWARENESS

As part of the school's recent Mental Health Awareness Week, we all learnt about the importance of looking after ourselves and understanding our feelings better. To put our learning to the test Year 2 took part in a 'human knot' challenge and successfully managed to unravel themselves, unharmed, while still holding on. What great teamwork!
